1. The MERSEBURG (M 52/D 91) airfield, as previously observed, was not occupied by Soviet Air Force units on 23 June 1949. A new board fence was being set up at the southern field border. A large dump containing captured weapons and ammunition, guarded by Soviet soldiers and German policemen, was located at the field.

25X1A 2. Comment:

The reported weapons and ammunition dump confirms information of 26 June 1949. No air unit is assumed to be stationed in MERSEBURG.
